## **My Quilting Resolutions for 2007**

### **Guidelines:**

List the quilting related resolutions that you want to complete between the December 2006 and August 2007 guild meetings. For each resolution that you complete AND show at a guild meeting (pictures are OK), your name will be entered into a prize drawing to be held at the August 2007 meeting. This year you can win only one prize.

Your resolution list must be returned to Diana Weirich or Linda Schlenker by the close of the January 2007 meeting.

Please be sure that the Directors-at-large (Diana / Linda) check off your completed resolution on the night you bring it for show-and-tell.

### **Examples:**

So what is a resolution? Almost anything quilting related and specific enough that we can identify it – make a donation quilt, complete the broken star quilt I started in 1985, make Suzi a wedding quilt, reorganize my sewing area (before and after pictures please!!), take a quilting related class (picture if not an AAQG class or bring samples), teach a quilting related class (picture if not an AAQG class), learn a new quilting related skill (bring a completed sampler), write an article for the AAGQ newsletter, etc.
